Secondary	Delhi Public School, Udaipur	98%	2020

EXPERIENCE

- **Different Labs Pvt Ltd** | *Product Design Intern* Bengaluru | May 2026 - July 2026
 - Drove product design as sole designer for an **AI-native SaaS platform**, partnering with **2** founders across dashboard, optimizer and onboarding.
 - **Improved usability** by combining 6-question usability audit, fast discovery cycles, and lean UX to guide design decisions each sprint.
 - Designed **8** upcoming features and fixed **12** bugs using Claude Code in cross-functional sprints; UX copy fixes adopted as team standard.

PROJECTS

- **Answer Engine Optimization (AEO)** | *Different Labs* | *B2B SaaS Product Design* [Case Study](#) | 11 Weeks
 - Designed a **self-serve product experience** across **9** flows, helping marketers track and improve how AI assistants describe their product.
 - Restructured the product's information architecture, defining JTBD-anchored red routes and standardizing platform-wide terminology.
 - Shipped a competitor-benchmarking heatmap to production and delivered **3 HTML prototypes**, including a **north-star** usable post-internship.
- **Creek.UI** | *Inter IIT Tech Meet 14.0* | *Mobile UI/UX Design* [Case Study](#) | 4 Weeks
 - Designed a generative AI image editor giving creators and SMBs precise control over edits via **doodle-based and inpainting** interactions.
 - Built a **10-category** visual-attribute taxonomy from **1k+** benchmark images, curating moodboards and auto-generating on-brand style sheets.
 - **Sped up** editing workflows **20%+** and cut turnaround time **30%+** for target SMBs, built a **Flutter app** with **16+** engineers and ML researchers.
- **AlumConnect** | *E-Cell IITG* | *Mobile UI/UX Design* [Case Study](#) | 8 Weeks
 - Designed an **AI-integrated alumni platform** to reconnect lapsed alumni with IITG and revive their sense of belonging.
 - Pivoted the **MVP** after **4-user** testing of a Lovable prototype surfaced hidden pain points, boosting **alumni engagement** and **retention**.
- **Hyperlocal Delivery Systems** | *Prof. Debayan Dhar* | *System Design* [Case Study](#) | 5 Weeks
 - Conducted **40+** hours of contextual inquiry across **3** dark stores and **20+** rider interviews to study **last-mile gig worker challenges**.
 - Mapped end-to-end delivery ecosystems via ERAF models to design **5** communication loops, projected to **recover 10+ min per delivery**.

TECHNICAL SKILLS

- **Design Skills:** User Research, Journey & Persona Mapping, Systems Thinking, UX Writing, Ethnographic Research, User Testing, Video Editing.
- **Software:** Figma, Adobe CC (Illustrator, After Effects*, Photoshop, Lightroom), Affinity, Github, Cursor, Claude (Code, Design), Lovable, Procreate, Spline, Autodesk Fusion 360*, Da Vinci, Framer*, Blender*, Notion. *Elementary Proficiency

POSITIONS OF RESPONSIBILITY

- **Head of Design** | **UDGAM'26** Mar. 2025 - Mar. 2026
 - Spearheaded a team of **200+** members to organize UDGAM'26, achieving a footfall of **30k+** across **810+ participating startups**.
 - Led a **20+ designer** team to build the summit's brand identity and assets; organized the 3rd Grids & Gaps panel, drawing **80+** attendees.
- **Design Head** | **Entrepreneurship Cell** | **IITG** Mar. 2025 - Mar. 2026
 - Revamped club website; led Instagram (11.3k followers, 200k+ peak views) for a **100+** member cell; mentored a team of **18+** designers.
 - Devised and organized Designathon, IITG's first 48-hr design hackathon, in collaboration with Zamana, drawing **100+** registrations.

ACHIEVEMENTS

- **SBI YONO:** Selected for pre-launch **closed user-group testing**, surfacing usability gaps ahead of the app's public release. Dec. 2025 - Jan. 2026
- **International Game Design Workshop, Bhutan:** One of 12 selected from a batch of 55 to attend at Sherubtse College. [Case study](#) | May 2025
- **Internal Smart India Hackathon:** Secured **7th place** amongst 50+ teams. Aug. 2024
- **Spirit:** Secured **Gold** medal in the women's basketball event across **10+ colleges**, reigning champions for **3 consecutive years**. 2023 - 2025
- **Inter IIT Sports Meet 56.0:** Secured **4th position** amongst 22 IITs in Women's Basketball, 56th edition at IIT Bombay. 2023
- **Gold Medal, Maharana Mewar Foundation:** Awarded for **academic excellence** in Class 12 board examinations. 2022

EXTRACURRICULARS

- **Inter IIT Tech Meet 14.0:** Represented IITG contingent and led design for **Adobe's Mid-Prep** problem statement. Dec. 2025
- **Design Head, Saathi:** Designed brand identities and collateral for **8+** campus events, engaging **3,500+** attendees. 2024 - 2025
- **UI Head** | **RIC'25:** Revamped the website, resulting in a **78% increase** in traffic. Aug. 2024
- **Anchoring:** Hosted multiple events including Alcheringa, Techniche, Udgam and Scavenger Hunt with **1500+** spectator count. 2024 - 2025
- **Republic Day Cross Country Run:** Achieved a podium finish in the 5km run amongst **5k+** participants. 2024
- **Marketing Intern, Webanix:** Conducted UX heuristic audits for **5** client websites and designed marketing assets. Aug. 2022 - Oct. 2022
